

Message from the Board of Trustees – July 2011

Moreland School District's Board of Trustees and staff is pleased to welcome new Superintendent Mark Barmore. Mark Barmore comes to Moreland from Mill Valley School District, where he served as the Director of Student Support Services. Most notably in his time there, Mark developed effective intervention programs for special education and English language learners.

Mark started his career as an attorney with the city of San Francisco and was the general counsel for the San Francisco Unified School District for nine years. There he gained a great understanding of public schools, as well as a passion for student achievement. Switching gears to follow his passion, Mark got his teaching credential and became an elementary teacher, teaching third, fourth, and fifth grades before becoming a principal.

Mark's focus is strongly centered on students. He has proven to be a collaborative leader, active and visible in his communities he's served, and possessing strong interpersonal skills and a sense of humor.

It is with much enthusiasm that we welcome Mark into Moreland School District.
